

Johnson County Board of County Commissioners Strategic Priorities 2017-2018

Top Community Strategic Priorities 2017-18	Highest Objectives	Priority
<p>1. Complete or advance existing projects approved by voters and the Board of County Commissioners with efficiency and effectiveness.</p>	<p>Achieve progress on new Courthouse building, Tomahawk Wastewater Plant, Park Legacy Plan, Library Master Plan, Medical Examiner facility, and expanded transit services.</p>	
<p>2. Increase the economic health of Johnson County, the State of Kansas, and the metropolitan area.</p>	<p>Support discussion with businesses, higher education, counties, cities, and community leaders throughout the state focused on promoting the economic, social, and cultural vitality of Kansas.</p>	
<p>3. Develop and implement a comprehensive plan to protect, support, integrate, and utilize County government's data and systems.</p>	<p>Create a single mobile app for citizens who conduct County business; adopt performance measures for County services that can be used to inform strategic priorities.</p>	

<p>4. Develop a vision and financing plan with a focus on alternative delivery methods for the shared transport of people, coordinating implementation with metropolitan services.</p>	<p>Conduct a comprehensive transit review that challenges all existing assumptions, strategies, and financing; expand standardization across transit network and explore fares that maximize access to employment.</p>
<p>5. Advance the self-sufficiency of vulnerable populations.</p>	<p>Target support to at-risk neighborhoods through law enforcement cooperation; seek new funding options to expand mental health and intellectual/developmental disabilities services and frail, elderly services; maximize housing resources for those who are housing insecure.</p>
<p>Additional Strategic Priorities</p>	<p>Highest Priority Objectives</p>
<p>6. Facilitate increased coordination, collaboration, and consolidation within and among all governmental entities for the efficient and effective delivery of public services.</p>	<p>Facilitate an education summit with schools and other government partners to identify common interests and mutual support; advance Core 4 regional cooperation.</p>
<p>7. Recognize and promote the benefits of an inclusive and diverse population in enriching the fabric of the community and Johnson County government.</p>	<p>Evaluate the diversity of current appointees to all boards, councils, committees, and the County workforce.</p>

8. Increase awareness of Johnson County government programs and services to foster public trust.	Develop priority strategic public messages by utilizing Countywide citizen surveys and the County's strategies priorities.
9. Attract and retain a quality workforce that shares the County's Mission, Vision, and Values.	Create and maintain a universally-practiced culture of high performance and continuous improvement.
