

Appendix C

Critical Facilities

(SECURE APPENDIX – NOT RELEASABLE TO THE PUBLIC)

Critical facilities are essential in providing utility or direction during the response to an emergency or during the recovery operation. The information below is the inventory of critical facilities in Johnson, Leavenworth, and Wyandotte Counties. Wherever possible the information has been indicated in a GIS format. All information was gathered via GIS, Kansas Division of Emergency Management, Johnson, Leavenworth, and Wyandotte Counties, participants of the plan, and prior plans.
