T-Hangar Wait List Form

The Airport Commission requires a \$100.00 deposit from those individuals wishing to be added to the t-hangar waiting lists for either New Century AirCenter (IXD) or Executive Airport (OJC). This deposit will be credited as your security deposit at the time you accept a t-hangar, or it will be returned to you should you remove your name from the list. Please complete contact information below and should your contact information change you must notify this office of the updated information. We will annually attempt to confirm your address and phone number, and if we are unable to make contact with the information available your name will be removed from the waiting list.

We will call you when your name reaches the top of the list and a t-hangar meeting your request becomes available. You have the option of passing on an available t-hangar ONE TIME ONLY. The second pass will result in your name moving to the bottom of the waiting list. You are welcome to call periodically and check on your waiting list status.

Please return this letter, along with your deposit check for \$100, to the Johnson County Airport Commission.
