

JOHNSON COUNTY
KANSAS
Airport Commission

Thank you for your interest in leasing a T-Hangar from the Johnson County Airport Commission. Unfortunately, at this time, there are no hangars available at either airport, so we have established a waiting list to accommodate interested parties on a first come first serve basis.

The Airport Commission requires a \$100.00 deposit by check or money order made payable to JCAC in order to be placed on the waiting list. This deposit is fully refundable upon removal from the waitlist. Removal can occur by your request, by accepting an offered T-Hangar, or for outdated contact information (JCAC discretion).

Please complete the information below. You are responsible to notify us if any of your contact information changes. We will call you when an available unit matches your preferred options and you are the next in line for that unit. Please note, more special requests you have on your hangar could result in a longer waiting time. You have the option of passing on a hangar when it comes available (see waitlist policy for pass details) and you are welcome to contact us periodically to see where you are on the list. Please read over the current T-Hangar wait list policy, subject to change without notice, before signing below.

**Please complete the form below and return this letter with your \$100.00 deposit to:
Johnson County Airport Commission, 1 New Century Parkway, New Century, KS 66031.**
