

**2012 International Fuel Gas Code ® / CHAPTER 1 SCOPE AND ADMINISTRATION/ SECTION 106 PERMITS**

**[A] 106.1 Where required.** An owner, authorized agent or contractor who desires to erect, install, enlarge, alter, repair, remove, convert or replace an installation regulated by this code, or to cause such work to be done, shall first make application to the code official and obtain the required permit for the work.

**Exception:** Where appliance and equipment replacements and repairs are required to be performed in an emergency situation, the permit application shall be submitted within the next working business day of the Department of Inspection.

**[A] 106.2 Permits not required.** Permits shall not be required for the following:

1. Any portable heating appliance.
2. Replacement of any minor component of an appliance or equipment that does not alter approval of such appliance or equipment or make such appliance or equipment unsafe.

Exemption from the permit requirements of this code shall not be deemed to grant authorization for work to be done in violation of the provisions of this code or of other laws or ordinances of this jurisdiction.
