

Land Disturbance Permit Certificate of Completion

LD Permit No: _____

Public Works and Infrastructure Department

913/715-8300

Submission of this *Certificate of Completion* (COP) constitutes notice that the party identified below relinquishes coverage under a Johnson County Land Disturbance Permit. Completion of this COP does not relieve the permittee of liability for civil, criminal, or administrative penalties for actions arising prior to issuance of the COP.

Submit COP with original signature to: Johnson County Public Works Department, 1800 W Old 56 Hwy, Olathe, KS 66061

If application is complete an inspector will contact permittee within **5 business** days to schedule final inspection.

To be completed by Permit Holder:

Permit Holder's Name: _____

Project or Property Address: _____ City, State, Zip Code: _____

Business Phone Number: _____ Cell Phone Number: _____

EMAIL Address: _____

I certify under penalty of law that all land disturbances associated with the site named herein meet the final stabilization requirements in accordance with Section 11.20.050E of Johnson County Resolution 068-08. I understand that by submitting this Certificate of Completion, I am no longer authorized under the Johnson County Land Disturbance Permit to engage in Land Disturbing Activities at this site. I understand that discharging pollutants in stormwater associated with Land Disturbing Activities to waters of the State is unlawful under Johnson County Resolution 068-08. I understand that by submitting this Certificate of Completion, I am not released from liability for any violations of Johnson County Resolution 068-08 or any other state or federal requirements.
