--- | ---
Welcome | • Introductions
**Review of Community Health Improvement Plan Activities/ Accomplishments in 2014** | • Report of 2014 activities will be compiled and emailed to CHAP members.
• Access of Healthy Foods – report by Renee Bryant
  - WIC Community garden – an additional nine beds were added for a total of 12. The Garden harvested 1456 pounds of produce. Over 50 WIC clients, 40 County employees and 19 community members volunteered in the Garden. Home Depot – offered discount to build a shed and covered deck and additional tools. WIC Garden won a competitive award from MARC.
  - Partnered with the Giving Grove and planted 13 trees; trees will harvest fruit in 3 years.
  - Partnered with the American Heart Association on working with child care centers to build policy around healthy food and activities.
  - Continued collaboration with JCPRD on healthy concessions.
  - Working with After the Harvest on gleaning projects to deliver foods to food pantries.
  - Beginning a Food Policy Council
• Physical Activity – report by Nicole Brown
  - Working with MARC on metro-wide activities; master Bike Plan.
  - Local communities are looking at downtown areas to assist them in being more bike friendly.
  - Assisted with Walk to School Day activities and evaluation in Johnson County schools.
  - Participated in the Green Commute Challenge.
• Access to Care – report by Marcia Manter and Deb Whiteman
  - Provided 4000 students with dental services.
  - All the dental hygienists are all volunteer (there are 11 hygienists).
  - Health Partnership Clinic completed some school screenings and fluoride varnishes.
  - Thank you to school health managers that helped get the service in the schools.
  - My Resource Connection training and information has been offered at 29 sites this year.
• Mental Health/Substance Abuse – report by Jamie Katz and Kimberly Herndon
  - Worked on policy for coaches code of conduct.
  - Held several Café Conversations with more than 150 participants to promote prevention of substance abuse.
  - On-going promotion of Mental Health First Aid.
  - For further details, see full report (attached).
  - New name for the work group: Behavior Health Awareness Alliance.
| Community health Assessment | • Next Community Health Assessment – Barbara Mitchell  
- Will work with non-profit hospitals (who are required by the IRS to do assessments every 3 years) on the next assessment.  
- During 2015, information on our community will be gathered through primary and secondary data, reviewed and community health improvement plans written in 2016. |
