Discussion and Next Steps	<ul style="list-style-type: none"> • Children’s Mercy has 12 child related goals that they would like to work on. These can be found on their website. Their priorities will be selected from this list. • Dental health issues seem to have subsided with all of the work that has been done in the past. • New focus areas seem to be Teen Pregnancy, Access to Care, and Motor Vehicle Safety. • Oral Health Coalition is focusing on older adults as that is still a big issue. • Good to see data included on ACIS. • Johnson County is ranked number one in the health rankings. • YMCA is looking to expand physical activity and healthy eating education in their child care facilities. • JoCo Income Inequality areas may see worse outcomes. Locations are currently being mapped to find trouble areas.

	<ul style="list-style-type: none">•Motivation seems to be a key reason for a lack of exercise. Can we look at why?•Tobacco 21 is being worked on to reduce the amount of teens who will begin smoking. Olathe and Prairie Village have already passed the ordinance.•Of 12% of families who report smoking, 33% report they are smoking outside of the home (CMH data – will clarify).
2016 Meeting Dates	All meetings will be held from 8:30am to 10:00am <ul style="list-style-type: none">•April 26 – begin to prioritize areas of focus.•July 26•October 25
