To schedule an appointment, email [jordanc@leawood.org](mailto:jordanc@leawood.org)  
or call (913) 663-9357**

(Johnson County, Kan.) September 2, 2015 – Car seat safety specialists will examine child car seats for proper use, installation, age/size appropriateness and will alert parents to any recalled products. Safety checks take approximately 30 minutes per seat. This event is a great way for parents to make sure their children are buckled up right.

Of those kids who **are** buckled up, three out of four are not restrained properly or their safety seat is incorrectly installed. Child car seats are extremely effective when accurately used and installed, reducing the risk of death by 71 percent for infants and 54 percent for toddlers.

Safe Kids Johnson County in partnership with Leawood Police Department is co-sponsoring these lifesaving safety checks.

For more information about car seat safety checks call Safe Kids Johnson County at: 913-477-8312.
