April 24, 2018

COMMUNITY HEALTH ASSESSMENT PROCESS /
COMMUNITY HEALTH IMPROVEMENT PLAN MEETING

Walk/Bike to school day project, Target is Elementary & Middle school

What data do you want out of the next CHA – Sept 8th next date out in community

Moving away from access to care – what can public health do in our realm of expertise?

Suggested not to just go house to house but also provide survey online, paper and other ways to reach more people effectively,

Suggested to give patients in clinics and hospitals to fill out while they're waiting to be seen to get more people surveyed

"We have to be cautious to the meet 990 IRS guidelines."

Safety Net Clinic –

Fill out CHNA Survey Topic Ideas

What do volunteer do when they encounter situations when surveying households regarding depression/suicide

Ask mental health group to figure out what to do when volunteers encounter people who need specific recourses and where to lead them if needed. – Need someone to train volunteers to get resources out.

With new apartments being built are they affordable housing? What is the impact on the community with new residents coming in? – Needing public health strategist to talk about community impact,
