JCDHE Offers Health Insurance Enrollment Event

JOHNSON COUNTY, KANSAS (Dec. 3, 2015) – The Johnson County Department of Health and Environment (JCDHE) is hosting a health insurance enrollment event to assist Kansans in enrolling in health care plans.

The event will be held Dec. 7 from 12 p.m. to 6 p.m. at the Sunset Drive Office Building, 11811 S. Sunset Drive, Olathe, Room 1055. The Health Partnership Clinic and El Centro are co-sponsoring this event.

Certified HealthCare.gov navigators will be available to help individuals and families renew their existing coverage or find plans that meet their health and financial needs.

In order to enroll, individuals must bring the following items:
- An email and working password
- Names, birth dates and social security numbers for everyone in household
- 2016 projected income
- Tax information with filing status and number of dependents
- Immigration documentation

“Access to care is one of the Community Health Improvement Priorities for JCDHE in its work with the community, and clearly helping individuals gain access through enrolling in a health insurance plan is an important strategy to reduce the number of uninsured individuals in Johnson County,” said Lougene Marsh, JCDHE director.

If you have any questions, please call 913-826-1239 or 913-826-1974 to speak to a health navigator.
