Kansas Infectious Disease Symposium
May 5-6, 2020
Johnson County Arts & Heritage Center
Overland Park, Kansas

Join representatives from the Heartland National TB Center, Children’s Mercy Hospital, The University of Kansas Hospital, the Centers for Disease Control and Prevention and the Kansas Department of Health and Environment to address emerging public health issues and expand knowledge of how infectious diseases are contained and managed in Kansas and the Midwest. Network with local, state and federal partners to share information on how to plan for disease outbreaks and maintain readiness in your jurisdiction.

WHO SHOULD ATTEND

PRESENTATION TOPICS
• Tuberculosis (May 5th only)
• Coronavirus (COVID-19), MERS and SARS
• Vaping and Lung Injury Cases
• Congenital Syphilis
• HPV Vaccination
• Get Tested KC
• Tickborne Diseases
