1. Welcome

2. Logic Model/Discussion

First draft of the Logic Model (to date) was distributed. There are still a few holes in it that need to be filled it. Work groups will continue to add information to have a final logic model by the next meeting.

3. Update from Work Groups – initial activities have been chosen. See [Logic Model \(March 2012\)](#)

Nutrition/Physical Activity

Access to Care

Mental Health/Substance Abuse

4. Evaluation and Monitoring of Activities

Discussion of how to monitor CHAP activities over time. All agreed that a core group, from each of the work groups, should be formed to evaluate the effectiveness of the plan.

5. Next Steps

-Work groups are to discuss how they would like to be represented on an evaluation team.

-Group decided to meet on a quarterly basis for the larger group and have the work groups meet more regularly.

6. Meeting Dates

Next meeting date is Tuesday June 26, 2012, 8:30am.
