

To Mid America Regional Council Cooperative Purchasers:

Please be aware Olathe Ford has built in 15 days interest at today's current interest rate into the bid pricing.

To qualify for this free interest... invoices must be paid within 15 days of receipt of the vehicle.

If payment is not received within the 15 day time period, there will be a separate interest invoice generated when the payment is received and the MSO will be held until payment of the interest is received.

When combining Upfit with the vehicle, the interest will begin when the upfitter receives the vehicle for upfit, as we cannot control upfitter's time lines.

Sincerely,

A handwritten signature in black ink, appearing to be "M-K-R".
