

Job Description

Johnson County Government

Department of Human Resources

Job Title: Network Communication Analyst I

Job Code: 901060

Job Family: Information Technology

Pay Grade: JC.16.16

FLSA: Non-Exempt

EEO: Technician

Department/Agency: Countywide

Position Number(s): Multiple

Recommended Position Title(s): Data Communications Technician, Telecommunications Technician

The following Core Competencies apply to everyone and are essential to all County jobs:

- Accountability – Follows-up on and meets commitments, takes ownership for work, and possesses a strong ability to stay focused on individual, department, and County results.
- Communication – Clearly and effectively expresses ideas and thoughts (verbally and in writing); listens actively.
- Customer Focus & Public Relations – Builds positive internal and external customer relationships; is committed to customer satisfaction; assumes responsibility for solving customer problems and ensures commitments to customers are met.
- Initiative – Independently acts to resolve problems and provide solutions; seeks out new responsibilities; generates new ideas; practices self-development.
- Safety – Understands and supports safety standards as required by the job; keeps the workplace clean and safe.
- Teamwork – Encourages and facilitates cooperation, pride, and trust among the team; fosters commitment and team spirit; works cooperatively with others to achieve overall goals.

The following Leadership Competencies apply to supervisors, managers, and executives based on designated responsibilities:

- People Management – Clearly defines subordinate roles and responsibilities; motivates employees to perform and delegates work effectively; applies consistent performance standards and handles performance problems decisively and objectively; leads by example.
- Operations Management – Directs and guides operations in alignment with the County's and department's overall goals and objectives; ensures the execution of efficient processes to maximize the County's and department's resources; utilizes operational knowledge to make sound decisions.
- Strategic Leadership – Determines the strategic direction of the team or department in alignment with overall county goals; effectively communicates strategies internally and externally; creates a culture to support strategies and provides mechanisms to implement them; fosters buy-in and enthusiasm with employees.

Essential Duties:

- Provides routine support for network and/or telecommunications functions; responds to and prioritizes requests from users to provide guidance and assistance; completes routine modifications to telecommunication network systems; documents processes and procedures for determining and/or preventing problems.
- Sets up, installs, and tests hardware and peripherals at user sites; installs network operating systems and standard programs including cabling and services.
- Evaluates capacity, availability, and performance of existing facilities; assists in determining business needs, provides feedback, and recommends solutions on network and telecommunication systems.
- Provides basic training to users on telecommunication systems.
