<p>B.6</p>	<p>Progress Report.</p> <p>Provide a description of the PHA’s progress in meeting its Mission and Goals described in its 5-Year PHA Plan.</p> <p>Although this is the first year of JCHA’s 5-Year plan, many Mission and Goal topics carry forward from its prior 5-Year PHA plan.</p> <p>JCHA is meeting the goal of serving 75% of the extremely low-income (ELI) families by ensuring that when families are activated from our waiting list we activate 75% from this ELI category first. Once activated from the waiting list, the family’s income is verified to ensure that their income does not exceed 30% of Area Median Income according to the family’s composition.</p> <p>JCHA maintains partnerships with many community stakeholders. From the Program Coordinating Committee for the FSS program to participation in State and Regional National Association of Housing and Redevelopment Officials (NAHRO). Proactive measure and industry best-practices are studied in an effort to maximize the impacts of our program and mitigate barriers.</p> <p>JCHA has received a High-Performer SEMAP score every year since 2001. We continue to incorporate and implement new program guidance based on Federal regulations to ensure that we remain in compliance and maintain a high standard of performance, with our client’s best interest as a driving factor for all that we do.</p> <p>JCHA continues the HCV Program Survey, which is a basic customer service survey. The feedback that we receive from these surveys is used to improve upon the service we provide to our clients and to understand the areas of the program in which more thorough information needs to be provided to participants.</p> <p>A landlord workshop has been held annually to update management of housing units in Johnson County, KS with HCV program guidelines as it relates to landlord and tenant participation on the JCHA HCV Program. To reach more landlords than just those who attend the workshop, a newsletter is utilized to provide updates to landlords in areas where additional focus is needed. While we will continue to hold periodic on-site landlord workshops to give landlords an avenue to have their questions addressed personally by Johnson County HCV staff, our main source of communication will be by way of the newsletter or other written correspondence.</p> <p>JCHA is a member of the Johnson County, Kansas Continuum of Care on Homelessness (CoC). Each month a member of Housing Services attends the meeting to learn from other social service agency resources that are available and may be of benefit to our existing or potential housing clients.</p> <p>To decentralize our clients from high poverty census tract areas, a map was created which will be provided to new participants and existing participants of the HCV program who are looking for appropriate units to lease. Additionally, a Housing Resource Recruiter position has been employed to retain and recruit landlord participation in the HCV program to further deconcentration efforts.</p> <p>JCHA has instituted an online application process. This development streamlines the application process for applicants. JCHA limits the number of applicants accepted during an open waiting list period to allow those on the waiting list to be served within 18 to 24 months from the time they make application. For any applicant requesting a reasonable accommodation, JCHA will accommodate.</p>
<p>B.7</p>	<p>Resident Advisory Board (RAB) Comments.</p> <p>(a) Did the RAB(s) provide comments to the PHA Plan?</p> <p>Y N <input type="checkbox"/> <input type="checkbox"/></p> <p>(a) If yes, comments must be submitted by the PHA as an attachment to the PHA Plan. PHAs must also include a narrative describing their analysis of the RAB recommendations and the decisions made on these recommendations.</p>
