

**JCHA COVID-19
HCV PARTICIPANT LETTER**

March 16, 2020

Dear HCV Participant,

The safety and well-being of those we serve is our highest priority. We are taking elevated measures to ensure your health and safety during the COVID-19 pandemic.

As a community, we are all working together in helping prevent the spread of germs and infection. The best way to protect yourself from COVID-19 is to avoid being exposed and take preventive health precautions. Reliable information on this subject can be found at the United States Centers for Disease Control and Prevention website (www.cdc.gov).

The following HCV Program modifications will take effect immediately:

- **All routine unit (HQS) inspections will be temporarily postponed until further notice.**
- **Face-to-face interactions will be minimized until further notice.**
- **Use e-mail, fax, US mail or drop-boxes (located outside our building or inside our lobby) when providing requested information.**

If you suspect that you or someone in your community has contracted the COVID-19 virus, we urge you to contact your healthcare provider for assistance and follow their guidance.

We will continue to provide updates as they become available. If you have any questions or concerns, feel free to reach out to your Occupancy Specialist or our call center at (913) 715-6600.

Respectfully,

David M. Ward
