Landlords who may have vacant units are encouraged to consider working with the Johnson County Housing Authority (JCHA) to try the Housing Choice Voucher (HCV) Program by leasing to just one family in need of stable housing. You can make a difference to one family in need.

The Housing Authority can work for you:

- pays its portion of rent on a timely basis each month.
- provides assistance with tenants who have lease violations
- provides a trained inspector to identify potential problems.
- provides a safety net for your tenant in case they lose their income or encounter a hardship, by increasing the portion of rent the Housing Authority pays on the tenant's behalf.

Contact the Johnson County Housing Authority for information on how we can help you make a difference in our community.
