Nelson Complex: Supplemental Information
Directions to Nelson Main Entrance off of Foxridge Drive
The Foxridge Drive entrance is the main plant entrance, but is different than the mailing address of 4800 Nall. To get to the Foxridge Entrance, take the I-35 and Lamar exit and get on Foxridge Drive. The entrance is on the right and is gated. Push the white button or wait for a JCW representative to let you in. MM 10 is identified on the map. In general, follow the yellow line down the road to the MM 10 parking lot.
