

1985

MINUTES OF THE MEETING OF THE BOARD OF COUNTY COMMISSIONERS OF JOHNSON COUNTY, KANSAS, HELD FEBRUARY 28, 1985.

A regular meeting of the Board of County Commissioners of Johnson County, Kansas, was held on February 28, 1985, with the following members being present and participating, to-wit:

- Janet D. Leick, Chairman
- William E. Franklin, Commissioner
- Kent E. Crippin, Commissioner
- Bruce R. Craig, Commissioner

WHEREUPON, there came for consideration the subject of the designating of certain roads within the county as primary arterial highways and the construction, reconstruction, maintenance and repair of such designated roads in accordance with K.S.A. 68-580 et seq.

The Board examined its files and determined the following facts:

- (a) Johnson County has a population in excess of 283,000.
- (b) Johnson County has tangible assessed valuation in excess of \$1,031,000,000.00.
- (c) In addition to funds provided by other sources to reconstruct and improve the designated highways, it will cost \$5,125,000.00, which money will have to be raised by the issuance of general obligation bonds of the county.
- (d) K.S.A. 68-580 through 585, provides for the designation of primary arterial highways and financing thereof.

UPON a motion duly made and seconded, the following resolution was adopted:
