We have audited the financial statements of the governmental activities, the business-type activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information of Johnson County, Kansas as of and for the years ended December 31, 2018 and 2017, and the related notes to the financial statements, which collectively comprise the County's basic financial statements. We have issued our reports thereon dated July 23, 2019 and June 7, 2018, which contained unmodified opinions on those financial statements. Our audits were performed for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements.
