REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON
COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS
PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

INDEPENDENT AUDITOR'S REPORT

Board of County Commissioners
Johnson County, Kansas

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information of Johnson County, Kansas, as of and for the year ended December 31, 2017, and the related notes to the financial statements, which collectively comprise the Johnson County, Kansas' basic financial statements, and have issued our report thereon dated June 7, 2018.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Johnson County, Kansas' internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Johnson County, Kansas' internal control. Accordingly, we do not express an opinion on the effectiveness of the Johnson County, Kansas' internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that have not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Johnson County, Kansas' financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM; REPORT
ON INTERNAL CONTROL OVER COMPLIANCE; AND REPORT ON SCHEDULE OF
EXPENDITURES OF FEDERAL AWARDS REQUIRED BY THE UNIFORM GUIDANCE

INDEPENDENT AUDITOR'S REPORT

Board of County Commissioners
Johnson County, Kansas

Report on Compliance for Each Major Federal Program

We have audited Johnson County, Kansas' (County) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Johnson County, Kansas' major federal programs for the year ended December 31, 2017. Johnson County, Kansas' major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Johnson County, Kansas' basic financial statements include the operations of the Johnson County Park and Recreation (District), a component unit of Johnson County, which received \$20,846 in federal awards which are not included in the schedule during the year ended December 31, 2017. Our audit described below, did not include the operations of the Johnson County Park and Recreation District because the District elected to perform a separate audit and the amount of federal awards was below the \$750,000 threshold in accordance with the Uniform Guidance.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the County's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the County's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Johnson County, Kansas' compliance.

Opinion on Each Major Federal Program

In our opinion, Johnson County, Kansas complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2017.

Other Matters

The results of our auditing procedures disclosed an instance of noncompliance, which is required to be reported in accordance with the Uniform Guidance and which is described in the accompanying schedule of findings and questioned costs as item 2017-001. Our opinion on each major federal program is not modified with respect to this matter.

Johnson County, Kansas' response to the noncompliance finding identified in our audit is described in the accompanying schedule of findings and questioned costs. Johnson County, Kansas' response was not subjected to the auditing procedures applied in the audit of the compliance and, accordingly, we express no opinion on the response.

Report on Internal Control Over Compliance

Management of Johnson County, Kansas is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Johnson County, Kansas' internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Johnson County, Kansas' internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, we identified a certain deficiency in internal control over compliance, as described in the accompanying schedule of findings and questioned costs as item 2017-001 that we consider to be a significant deficiency.

Johnson County, Kansas' response to the internal control over compliance finding identified in our audit is described in the accompanying schedule of findings and questioned costs. Johnson County, Kansas' response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

We have audited the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the County as of and for the year ended December 31, 2017, and the related notes to the financial statements, which collectively comprise the County's basic financial statements. We issued our report thereon dated June 7, 2018, which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the basic financial statements as a whole.

JOHNSON COUNTY, KANSAS

SCHEDULE OF FINDINGS AND QUESTIONED COSTS

Year Ended December 31, 2017

SECTION I – SUMMARY OF AUDITOR'S RESULTS

FINANCIAL STATEMENTS

Type of auditor's report issued: Unmodified

Internal control over financial reporting:

- Material weaknesses identified? Yes X No
- Significant deficiencies identified that are not considered to be material weaknesses? Yes X None reported
- Noncompliance material to financial statements noted? Yes X No

FEDERAL AWARDS

Internal control over major programs:

- Material weaknesses identified? Yes X No
- Significant deficiencies identified that are not considered to be material weaknesses? X Yes None reported

Any audit findings disclosed that are required to be reported in accordance with section 516(a) of the Uniform Guidance: X Yes No

Type of auditor's report issued on compliance for major programs:

<u>CFDA Number</u>	<u>NAME OF FEDERAL PROGRAM</u>	<u>Opinion</u>
10.557	Special Supplemental Nutrition Program for Women, Infants and Children	Unmodified
14.218	Community Development Block Grants\Entitlement Grants	Unmodified
14.871	Section 8 Housing Choice Voucher	Unmodified
93.268	Immunization Cooperative Agreements	Unmodified

Dollar threshold used to distinguish between type A and type B programs: \$899,194

Auditee qualified as low-risk auditee? X Yes No

JOHNSON COUNTY, KANSAS

SCHEDULE OF FINDINGS AND QUESTIONED COSTS

Year Ended December 31, 2017
(Continued)

SECTION II – FINANCIAL STATEMENT FINDINGS

None were reported.

JOHNSON COUNTY, KANSAS

SCHEDULE OF FINDINGS AND QUESTIONED COSTS

Year Ended December 31, 2017
(Continued)

SECTION III – FEDERAL AWARD FINDINGS AND QUESTIONED COSTS

Finding 2017-001 Significant Deficiency

CFDA #14.871: Section 8 Housing Choice Voucher, U.S. Department of Housing and Urban Development, All Open Grants

Condition: Housing Quality Standards (HQS) reinspections were not performed on fail inspections within the mandated thirty calendar days of the initial inspection.

Criteria: Under 24 CFR 982 Section 404(a)(3), a Public Housing Authority must not make any housing assistance payments for a dwelling unit that fails to meet the Housing Quality Standards, unless the owner corrects the defects found within no more than 30 calendar days.

Questioned Costs: None were noted.

Context: Out of the 60 tenant files selected for testing for HQS, 4 files had the reinspection performed later than 30 days from the initial failed HQS inspection.

The sample size was determined based upon guidelines provided by the AICPA which was not a statistically valid sample.

Cause: In some cases, processes and procedures were not followed to ensure the County met the reinspection deadline of thirty calendar days.

Effect: Failure to conduct HQS reinspections within 30 days could result in a landlord receiving payments for substandard dwelling units.

Recommendation: We recommend the County implement controls to insure all HQS reinspections are performed within 30 days of the initial inspection.

Management's Response (unaudited): The Johnson County Housing Department was found non-compliant with 24 CFR 982 Section 404(a)(3) which states a Public Housing Authority must not make any housing assistance payments for a dwelling unit that fails to meet the Housing Quality Standards unless the owner corrects the defects found within no more than 30 calendar days. Out of the 60 tenant files selected for testing for HQS, 4 files had the re-inspection performed later than 30 days from the initial failed HQS inspection.

Going forward Johnson County Housing Department will not make any housing assistance payments for a dwelling unit that fails to meet the HQS, unless the owner corrects the defect within the period specified by the Johnson County Housing Authority and corrections have been verified. If a defect is life threatening, the owner must correct the defect within 24 hours. For other defects, the owner must correct the defect within no more than 30 calendar days (or any PHA-approved extension).

As an added control, the Department has implemented a requirement that extensions will only be granted with the prior written approval of the Program Supervisor.

JOHNSON COUNTY, KANSAS

SCHEDULE OF FINDINGS AND QUESTIONED COSTS

Year Ended December 31, 2017
(Continued)

SECTION III – FEDERAL AWARD FINDINGS AND QUESTIONED COSTS (CONTINUED)

Also, the Housing Intake Worker who prepares the inspection notices has been instructed to not send any letters that do not conform to the 30 day re-inspection period without the prior written approval of the Program Supervisor.

This plan will be effective starting May 30, 2018.

JOHNSON COUNTY, KANSAS

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

Year Ended December 31, 2017

Note 1. Organization

Johnson County, Kansas (County) is the recipient of several federal grants. Various County departments administer these grant programs. Grants are accounted for in the General Fund, Special Revenue Funds, and Enterprise Funds of the County department benefiting from the grant.

Note 2. Basis of Presentation

The accompanying schedule of expenditures of federal awards (Schedule) includes the federal awards activity of the County under programs of the federal government for the year ended December 31, 2017. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations*, Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the County, it is not intended to and does not present the financial position, changes in fund balances or cash flows of the County.

Note 3. Summary of Significant Accounting Policies

Expenditures reported on the accompanying Schedule is reported on the modified accrual basis of accounting. Such expenditures are recognized following, as applicable, either the cost principles in OMB Circular A-87, *Cost Principles for State, Local, and Indian Tribal Governments* (Circular), or cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. The County has elected not to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.

Note 4. Local Government Contributions

Local cost sharing is required by certain federal grants. The amount of cost sharing varies with each program. Only the federal share of expenditures is presented in the Schedule of Expenditures of Federal Awards.

Note 5. Additional Audits

Grantor agencies reserve the right to conduct additional audits of the County's grant programs for economy, efficiency, and program results, which may result in disallowed costs to the County. However, management does not believe such audits would result in any disallowed costs that would be material to the County's financial position at December 31, 2017.
