

Xpress Routes

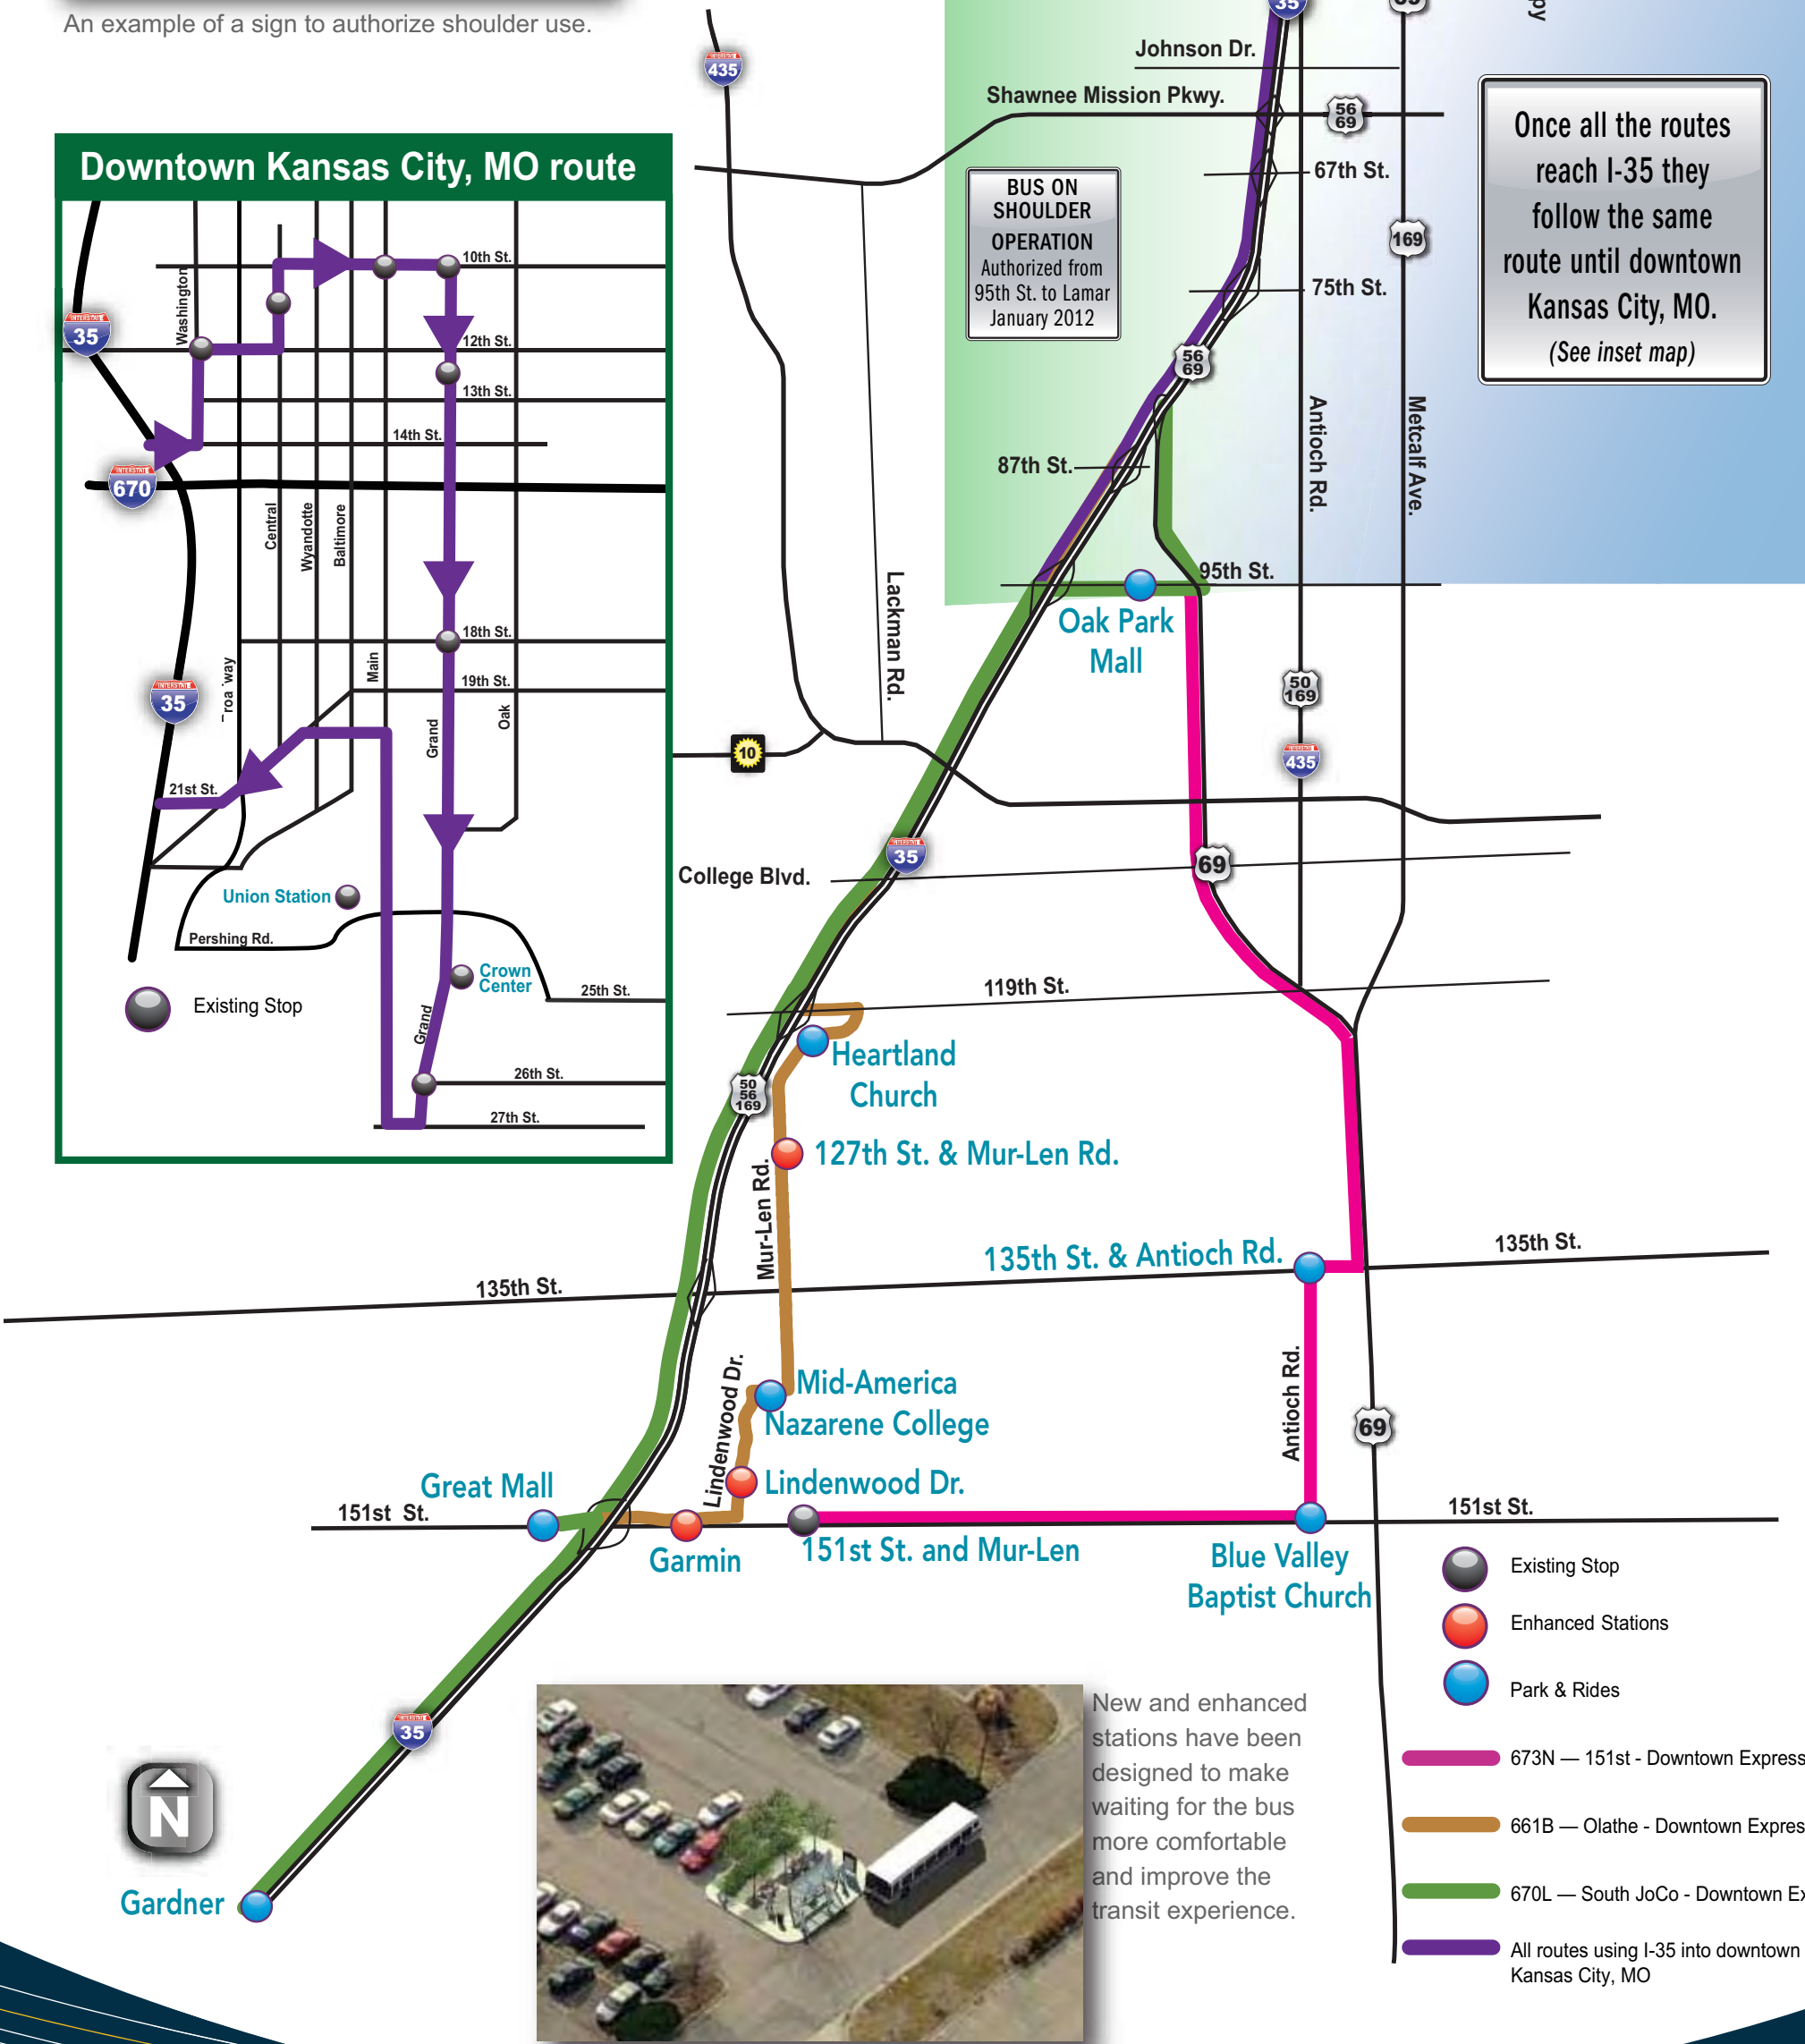

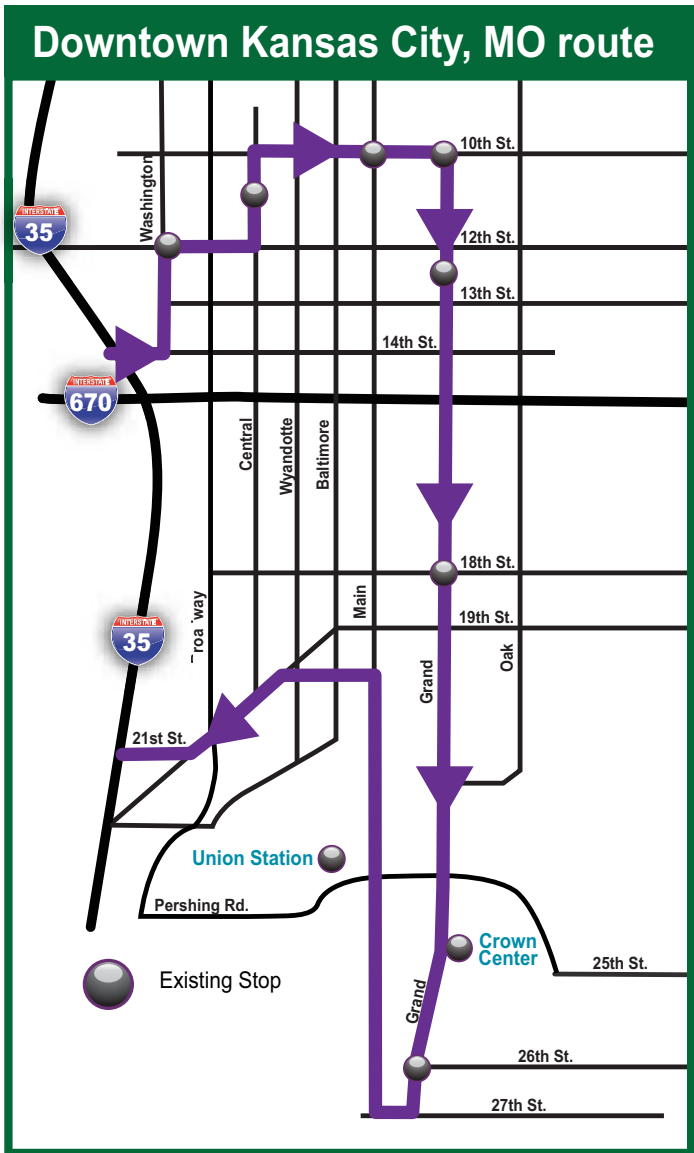

An example of a sign to authorize shoulder use.

This map shows the enhanced stop locations for routes that will be able to use the bus on shoulder option. All routes using I-35 can use the shoulder during peak travel times.

Once all the routes reach I-35 they follow the same route until downtown Kansas City, MO. (See inset map)

BUS ON SHOULDER OPERATION
Authorized from 95th St. to Lamar
January 2012

- Existing Stop
- Enhanced Stations
- Park & Rides
- 673N — 151st - Downtown Express
- 661B — Olathe - Downtown Express
- 670L — South JoCo - Downtown Express
- All routes using I-35 into downtown Kansas City, MO

New and enhanced stations have been designed to make waiting for the bus more comfortable and improve the transit experience.
