INFORMATION FOR  
**IMPROVING COMMUNITY HEALTH**

U.S. DEPARTMENT OF HEALTH AND HUMAN SERVICES, CENTERS FOR DISEASE CONTROL AND PREVENTION

## Johnson County, KS

The following Summary Comparison Report provides an "at a glance" summary of how the selected county compares with **peer counties** on the full set of **Primary Indicators**. Peer county values for each indicator were ranked and then divided into quartiles.

Better

(most favorable quartile)

Moderate

(middle two quartiles)

Worse

(least favorable quartile)

	Better (most favorable quartile)	Moderate (middle two quartiles)	Worse (least favorable quartile)
Mortality	<ul style="list-style-type: none"> <li><a href="#">Coronary heart disease deaths</a></li> <li><a href="#">Unintentional injury (including motor vehicle)</a></li> </ul>	<ul style="list-style-type: none"> <li><a href="#">Alzheimer's disease deaths</a></li> <li><a href="#">Cancer deaths</a></li> <li><a href="#">Chronic kidney disease deaths</a></li> <li><a href="#">Chronic lower respiratory disease (CLRD) deaths</a></li> <li><a href="#">Diabetes deaths</a></li> <li><a href="#">Female life expectancy</a></li> <li><a href="#">Male life expectancy</a></li> <li><a href="#">Motor vehicle deaths</a></li> <li><a href="#">Stroke deaths</a></li> </ul>
