

This includes all cases that are investigated by Disease Containment (not a case, suspect, probable, and confirmed). The 5 Yr Median is the number of cases in the middle separating the higher half from the lower half, thus representing the mid-range trend for our county.

*** As of 5/2019 all labs are entered regardless of result. Only elevated results are investigated

*Protocol change in lab reporting at KDHE. Negative labs for this disease are no longer entered, fewer cases reviewed than previous years.

** Refers to animals submitted for Rabies testing AND/OR animal escaped where Post Exposure Prophylaxis was advised/received.

*** No longer reportable as of June 1st, 2018, cases are still reviewed

*** Both new cases and cases currently undergoing treatment are counted each month, but YTD counts new cases ONLY
