Subject: Sponsor Land Use Letter – New Century AirCenter Release of Land from Aeronautical Use to Non-Aeronautical Use

Mr. Tener,

The Johnson County Airport Commission (JCAC) assures that per 49 USC 47107(a)(10), appropriate action, including the adoption of zoning laws, has been or will be taken, to the extent reasonable, to restrict the use of land adjacent to or in the immediate vicinity of the New Century AirCenter to activities and purposes compatible with normal airport operations, including the landing and takeoff of aircraft. This applies to both existing and planned land uses.

Best Regards,

Larry Peet  
Acting Executive Director  
Johnson County Airport Commission
