

POLICY 603

ORGANIZATIONAL LEARNING AND DEVELOPMENT

Effective 05-01-2021, Resolution No. 014-21

It is the policy of Johnson County Government to establish a work culture in which continuous employee and organizational learning and development is valued, pursued, and rewarded, and where investing in the ongoing development of employees is recognized as a key strategy in ensuring the County's ability to fulfill its mission and current and future goals.

Johnson County Government provides employees with learning and development tools, opportunities, and programs to enable employees to perform to the best of their abilities and, in doing so, contribute to the County's mission and goals. The County also provides special training to ensure that employees are working in an environment that is safe, healthy, and productive.
