

**PROCEDURE 406-1**  
**DESIGNATED TOBACCO AND VAPING AREAS**  
**Effective 05-01-2021, Resolution No. 014-21**

Except as limited by Policy 406, the County Manager may designate any outside area on County property as an area in which smoking and use of tobacco, electronic cigarettes, and similar devices is permitted or prohibited. The County will notify employees of designated areas by posting signage in the area or by other appropriate means.

The County Manager may prohibit smoking and use of tobacco products, electronic cigarettes, and similar devices at County-sponsored events or meetings regardless of where such events or meetings are held.
