PLANNING DEPARTMENT PROCEDURES

The Deputy Director of Planning reviews the development plan request and notifies the applicant whether it is approved or denied. The application may be approved subject to a term and stipulations.

When Administrative Development Plan Approval is received, the applicant may apply for a building permit. A copy of the Administrative Development Plan Approval and Zoning Permit Application will be attached to the building permit.

Prior to or concurrent with the Final building permit inspection, the subject real property will be reviewed to determine whether the actual site development conforms with the requirements of the approved development plan. If the site is in conformance with the approved development plan, then the Zoning Permit will be issued.

The Zoning Permit must be approved before use of the site equipment is allowed.

EXCERPT ARTICLE 15 DEVELOPMENT PLAN PROCEDURES

Section 3. PRELIMINARY DEVELOPMENT PLAN APPLICATION REQUIREMENTS:

Ten (10) copies of a Preliminary Development Plan shall be submitted to the Johnson County Planning Office at least thirty (30) days before the meeting date of the Zoning Board which will consider the plan. The Preliminary Development Plan shall be drawn at a minimum scale of 1" = 100' and shall contain at least the following information:

- A. Location by common street address and legal description.
- B. Names, addresses and telephone numbers of the applicant, owner, and designer of the plan.
- C. Date and North Arrow.
- D. Existing and proposed contours at no greater than five-foot (5') intervals.
- E. The boundary lines of the area included in the development plan, including approximate angles, dimensions and reference to a section corner, quarter-section corner, or point on a recorded plat.
- F. For both the area included in the development plan and the area within two hundred (200) feet of the boundaries thereof:
 1. The location, widths and names of all existing or platted streets, railroad and utility rights-of-way, parks and other public open spaces and permanent easements.
 2. The location and dimensions of permanent buildings, structures, or houses and natural features, such as woodlots, streams and lakes or ponds, and any land area subject to the 100-year flood.
 3. Locations of existing sewers, water mains, culverts and other underground facilities, indicating pipe sizes, grades, manholes and locations of record.
- G. General location arrangement and dimensions of proposed buildings and structures.
- H. Lists, text or tables indicating:
 1. The total floor area of buildings, the area of the site, and the percent of building coverage of the site.
 2. The number of building sites or lots and the number of parking spaces to be provided.
 3. Any other quantities needed to describe or quantify the proposed development or to determine compliance with the zoning regulations.

- I. Preliminary Development Plan Analysis Report which is consistent with the requirements for Preliminary Plat Analysis Reports as provided in Article 26, Section 3 of these regulations and which discusses and describes the general concepts and plans for signage and for controlling outside lighting, stormwater drainage, sanitary waste disposal, traffic impacts and capacities of nearby roads, and the expected minimum stopping sight distances at proposed road access points in accordance with the then applicable County standards when the application is submitted.
- J. Preliminary sketches of building elevations depicting the general style, size and exterior construction materials of the buildings proposed in sufficient detail to exhibit the relative compatibility of the proposed development with the character of the neighborhood.
- K. General location, arrangement and dimensions of parking spaces, width of aisles, width of bays, angle of parking and other similar information (see Article 19, Off-Street Parking Requirements).
- L. General location and dimensions of vehicular drives, entrances, exits, acceleration and deceleration lanes, location and dimensions of pedestrian entrances, exits, walks and walkways.
- M. Location, height and general materials to be used for walls, fences and landscaping.
- N. Indication of proposed schedule, sequencing and location of each development phase if the project is to be developed in phases.

Section 6. FINAL DEVELOPMENT PLAN APPLICATION REQUIREMENTS:

The Final Development Plan shall consist of a site plan and supporting documents which conform to all requirements and conditions placed on approval of the Preliminary Development Plan by the Board. At the request of the Zoning Administrator, the applicant may be required to submit details of portions of the Final Development Plan at a scale greater than 1" = 100'. The Final Development Plan shall contain the items listed below and all items required in Section 3, Items A through N of this Article, in final form.
