Title transactions can be complex. We're committed to helping you through the process. When putting together your paperwork, please remember the following things:

- ✓ **SIGN THE TITLE** - if a signature is missing, the title will be returned to you for correction. If multiple owners, please have all signatures.

On a Kansas Title, please sign and print as purchaser. Every state title is different so find where it says "Signature of Purchaser" and sign.

DO NOT ACCEPT TITLE SHOWING ANY ERASURES, WHITEOUT, ALTERATIONS OR MUTILATIONS.

By affixing his or her signature, the seller assigns, transfers and conveys unto the purchaser(s) the vehicle described on this certificate of title and the seller warrants same to be free from all liens and encumbrances except as stated on the assignment or assignment. Federal and Kansas law requires that the seller state the mileage in connection with the transfer of ownership. Failure to complete or providing a false statement may result in fines and/or imprisonment. Kansas residents must make application for title within 30 days of the date the vehicle was sold and delivered in the county treasurer's motor vehicle office where the vehicle will be garaged. Kansas is a paperless or electronic title state. A Kansas paper title cannot be issued if or as long as there is a lien or encumbrance showing on the division's records.
