Introductions & Announcements/Affiliate Updates and Openings
Monaco & Associates, a new TCM agency has hired a local case manager, Marisa Snyder, and is open for referrals.

Kerry and John Cosgrove have formed a new TCM agency, Team Cosgrove, and will be open for referrals on Monday, June 11.

Mosaic is closed for TCM referrals/open for Shared Living referrals.

The Sails Group is open for residential referrals and will soon open for day services.

Travis Chapman with Lakemary Center stated they are in the process of filling a case manager position but they are not open for referrals. They are open to referrals for semi-independent living and community employment.

Guest Presenter
Lisa Womack, the Regional Mobility Manager, with the Kansas City Area Transportation Authority (KCATA) shared resources for public transportation in Johnson County. Her contact information is 816-346-0808 or lwomack@kcata.org. Joshua Powers, the Business Liaison with Johnson County Government, also shared information on policy procedure. Joshua.powers@jocogov.org is his contact information if you have any questions or feedback about county transportation. All of Lisa’s handouts will be sent with the minutes. She shared information on some new night services being added to two routes and some Saturday service. The Ride KC Taxi program will be merging with Ride KC Freedom. Lisa shared tips on navigating the phone tree at KCATA. Please call the main number if you are having issues with a pick up. However, you may call Lisa directly to assist with finding new connections for transportation. Here is a link to Jet Express. http://www.jfskc.org/jet-express/

CDDO Updates

Pass Programs

Whether you ride the bus once in a while or every day, there's an affordable pass program to fit your needs.

Here's a look at some of the pass programs we offer:

Pass Programs
- U-Pass
- Employer Pass
- Reduced Fare Pass
- Youth Summer Pass
- Veterans Pass

**U-Pass Program:** Started in 2011 at the University of Missouri-Kansas City. Now, at UMKC, the pass averages 24,000 trips a month. At Metropolitan Community College's campuses, it averages about 22,000 a month.

To date several schools have signed up for the U-Pass program:
- University of Missouri-Kansas City
- Metropolitan Community College of Kansas City
- Kansas City Kansas Community College
- Kansas City Art Institute

**Employer Pass Program:** This is a great employee benefit employers can offer in partnership with RideKC. The employer pays at least $5 toward the cost of a 31-Day bus pass for each participating employee and RideKC add a $5 discount so employers can pass on significant savings to their employees.

**Reduced Fare Program:** This program saves money for senior citizens, persons with disabilities, and youths. With a Reduced Farecard or a Medicare Card, qualifying persons can ride all regular service at a reduced fare. The 31-Day Passes may also be purchased at a reduced rate. Both the Reduced Farecard and the 31-Day Pass must be shown to the driver when boarding.

**Youth Summer Pass Program:** For just $12 a month, youth ages 6 to 18 can have an unlimited, monthly bus pass during June, July and August for KCATA routes only.

**Veterans Pass Program:** Free fare on all RideKC bus routes for veterans with this pass. The pass is available at the VCP in south Kansas City, 8900 Troost, Monday through Friday, 9 a.m. to 3 p.m. The RideKC Veterans Pass is the only form of identification that allows veterans to ride for free.
Purchasing Passes

When riding the bus, you have affordable options to pay the fare. In most areas, the base bus fare will run $1.50, with suburban express routes costing a little more. Seniors, youths and riders with disabilities can qualify for reduced fare in many places.

On-board Buses: You can purchase 1-Day Passes by request to a bus operator before inserting your money into the farebox.

RideKC App: We make it convenient to pay your fare, plan your trip, and track your ride all within the new app. This mobile technology makes it easy for customers to show their pass to the operator with their phone, and makes buying passes as easy as a click of a button. Try it out—first Day Pass is on us!

Bus Fare

Cash Fare: Pay the cash fare with coins or dollar bills ($1–20). Children 5 and under ride free. Children 6 to 11 pay reduced fare. Routes 100-199 require exact cash fare.

Reduced Fares: With Reduced Farecard or Medicare Card, you can pay the reduced fare or buy a Reduced Fare Pass. Not available with certain passes (see below).

Transfers: After paying cash fare or inserting a Change Card, you can request a transfer (a swipe card), which is good for two hours. Additional fare may be required when transferring to a route with a higher fare.

Change Cards: Pay with a $5, $10 or $20 bill and receive a Change Card (a dip card) for future rides. The farebox will debit the unused fare balance for up to one year from the activation date. Not available on routes 100-199.

Who We Are

The Kansas City Area Transportation Authority has partnered with the KC Streetcar Authority, the City of Independence, Unified Government of Wyandotte County and Johnson County to provide service to the Kansas City region under the RideKC brand, when it was adopted by the Kansas City area as the regional transit name in 2014.

Vision

The vision of the RideKC brand is to provide a seamless, efficient transit system that is easy to use no matter where you live, taking you where you need to go.

RideKC services span the region and improve the quality of life for citizens throughout Kansas City.

2017 Regional transit ridership

RideKC Bus: 14 million rides
KC Streetcar: 2 million rides
16+ million rides total
**Bus, Streetcar and Bike Services**

**Local Bus Service:** This is the traditional bus service that most people recognize. There are 68 local bus routes serving 11 jurisdictions across the metro area including: Kansas City, Mo.; Johnson County; Independence; Kansas City, Kan.; North Kansas City; Raytown; Riverside; and Gladstone.

**MAX/Bus Rapid Transit:** This express service operates on Main Street and Troost Avenue in Kansas City, Mo. MAX routes provide faster service with fewer stops between MAX stations than local service. MAX routes include sleek shelters with amenities such as real-time arrival information, traffic signal priority, and uniquely branded vehicles.

A top priority is bringing bus rapid transit service to Prospect Avenue on Kansas City’s east side, similar to what already operates on Main Street and Troost Avenue.

**Express:** Across the region, express bus routes link the suburbs to downtown Kansas City. Three routes link downtown Kansas City to the Missouri-side suburbs of Lee’s Summit, Blue Springs and Liberty. On the Kansas side, express routes serve Overland Park, Olathe, Shawnee and Gardner. Express service also is available between Johnson County and Lawrence along Kansas state highway K-10.

**Flex:** In Flex service, buses deviate from a fixed-route and operate similar to a taxi. This type of service operates in a specific geographical area for each Flex route, and requires riders to make a reservation 24 hours in advance. The service is limited to certain hours of the day and certain days of the week.

**Downtown Streetcar:** The KC Streetcar operates along a 2.2-mile route on Main Street between the River Market and Union Station. It is owned by Kansas City, Mo., and is operated by the Kansas City Streetcar Authority. Fare is free. The KCATA supports the KC Streetcar by allowing use of its radio system and the agency’s call center answers rider questions. If streetcar service is disrupted, the KCATA fills the gap with bus service.

**BikeShare:** This is a 24/7 public bike share system for short trips. We have 41 stations serving Downtown, North Kansas City, Westport, the Country Club Plaza, KCAI and The Nelson-Atkins Museum, 18th & Vine Jazz District, and the Trolley Track Trail.

---

**Other Transit Services**

**Vanpool/Carpool:** This service provides vans/cars to groups of commuters who join up to regularly ride to work. Riders pay an affordable, monthly fare for dedicated service to their workplace.

**Paratransit Services:** Transit service is available regionally for riders with disabilities as well as seniors through RideKC Freedom. KCATA has successfully developed a program tailored for rider convenience, called RideKC Freedom On-Demand, an app-based service giving riders the ability to summon a taxi 24/7. It offers same-day service getting riders where they need to go, when they need to get there. This new service has been life-changing for so many of our paratransit customers. Service allows customers to book a trip and track their ride, all with their smartphone.

---

**RideKC App:** We make it convenient to pay your fare, plan your trip, and track your ride all within the new app. This mobile technology makes it easy for customers to show their pass to the operator with their phone, and makes buying passes as easy as a click of a button. Try it out—first Day Pass is on us!
