Introductions & Announcements/Affiliate Updates and Openings
Mandy Flower, CDDO Director announced that Sheri Kendall is the new Quality Manager. She oversees the Quality Assurance Team, which is a resource for affiliates.

Steven Haack introduced Amanda Davidson, Administrative Assistant for Willow Tree. Willow Tree is hosting an open house on July 18. They have openings in supported employment.

Mosaic is open for case management and have one host home opening.

Stephanie Coleman, family support coordinator with the Center for Child Health & Development with the KU Medical Center shared information on the LEND Family Education Series/Facebook events. You can contact her at 913-588-5741 or scoleman3@kumc.edu. More information is attached with the minutes.

Happy Sun Care has both day and residential openings.

Life Centers has day service openings.

CDDO Updates
The CDDO is in the process of hiring another QA staff and hopes to make an announcement of the new staff member at the next affiliate meeting.

Please use the new CDDO email address cddo@jocogov.org to submit any exceptions, crisis requests or complaints. The new forms list the documentation that is needed. Paula Morgan the I/DD program manager is now asking if the family is able to private pay for services and she wants to make sure there is documentation that all natural and community resources have been tried. Feel free to reach out to any team member with preliminary questions before submitting a request.

Tara Markley with Kansas State University will be sending all affiliate directors a survey about the needs of affiliates. Please make sure that you take the survey. Be expecting an email soon.
Susan Jarsulic with Dreams Work expressed her concern about county mill money not being distributed fairly. Mandy said she would look into the issue.

David Gibbs, 913-826-2604 or david.gibbs@jocogov.org, stated the CDDO will begin using DocuSign for the referral process. Please be checking your SPAM regularly as some of these emails seem to be filtered into that folder. DocuSign regularly sends prompts if the emails are not signed and returned.
